

PRESS NOTE

DIRECTORATE OF FOOD AND DRUGS ADMINISTRATION REGISTRATION OF FOOD SAFETY MITRAS

The FSSAI has launched the Food Safety Mitra Scheme to help Food Business Operators with their licensing and Registration training and auditing, hygiene etc. One such Mitra which has been identified are called “Digital Mitras” which are individuals with entrepreneurial mind set and IT skills, who can help food businesses with their compliances in terms of making new applications for licensing and registration, online correspondence regarding queries raised by authorities, filing of modification applications, Annual Returns etc.

The Directorate of Food and Drugs Administration has taken the initiative of promoting this Digital Mitra in the State of Goa and thus creating an entrepreneurial opportunity to Goan professionals in the Food Safety domains.

To facilitate the certification and registration an online training program is planned on 07/05/2021. All interested candidates having the necessary skill set, may kindly register through the link provided below (which is also available on Directorates website). Candidates are required to pay a registration fee of Rs. 500/- and to register well in advance before the day of training. The training is compulsory and the candidates need to clear the evaluation test to enroll as Food Safety Digital Mitras. On successful completion of the exam a deposit of Rs. 5000/- is payable through the same portal which is refunded whenever the Food Safety Mitra choose to surrender this registration.
