Government of Goa

Alert Notice to all Food Business Operators

All the Food Business Operators are directed to take note of the following points and implement the same without fail to avoid penal action under FSSA 2006.

- All Food Business Operators (FBO'S) shall compulsorily display their FSSAI License/ Registration and the applicable Food Safety Display Board (FSDB) in the business premises at a prominent place.
- All FBO's shall mandatorily print the FSSAI Registration/License number on the Bills issued to customers. This requirement is mandated by law post 1st October 2021.
- All FBOs engaged in Manufacturing (having manufacturing category License) shall submit their annual returns online on foscos.fssai.gov.in through their registered ID's before the extended deadline of 31st Aug 2021 failing which a penalty of Rs: 100/day will be levied by the system.
- FBO's engaged in sale of Sweets (Indian Sweets) shall compulsorily display the best before date on each sweet tray displayed at their counter. Non compliance will attract penalty.
- All FBO's are required to ensure that they have atleast one person per 25 or less employees trained and certified under FOSTAC.
- All applications for new license/ registration renewals/ modification to be made online through the FSSAI web site foscos.fssai.gov.in by typing the website on the internet browser.
- Beware of fraudulent, private agent web sites often having similar domain names like *FSSAI, FoodLisesning, LegalIndia*, all ending with .org or .com or .in. The department takes no responsibility of applications made on agent web sites hence kindly use the official foscos.fssai.gov.in for transactions.
- Operating Food Business without license/registration is a punishable offence under Sec 63 of FSSA 2006
- Food Business operators having an annual turnover of Rupees 12lakhs or above and/or new business with projected turnover of Rupees 12 lakhs or above shall operate under License Category. Any FBO's found operating with Registration certificate and exceeding 12 lac annually shall be liable for penal action.
- All Restaurants, Bakeries, Sweets Shops, Meat Shops are advised to register for Hygiene Rating Audits with the FDA within the next 30 days.

EAT RIGHT- Use Less Salt, Less Sugar and Less oil in the Food.

-Maintain hand Hygiene

- Follow Physical Distancing

-Wear mask
